

1 come to order.

2 On behalf of the Committee of the Whole, the
3 Chair reports that the Committee has concluded its
4 consideration of Committee Recommendation R&P-1, that
5 it has approved Committee Recommendation R&P-1, with
6 amendments. Committee Recommendation R&P-1 and the
7 report of the Committee of the Whole is referred to the
8 Committee still drafting an arrangement. On behalf of
9 the Committee of the Whole, the Chair further reports
10 that it has under consideration Committee Recommendation
11 R&P-2, that it still has it under consideration and desires
12 leave to sit again.

13 The Chair thinks it is necessary to make
14 another brief announcement.

15 The officers of the Convention are very much
16 concerned and troubled by the fact that in the past few
17 days we have fallen far behind our schedule, and progress
18 has been slower than perhaps on any other article. It
19 seems at the moment that it would be impossible to
20 conclude consideration of all matters on the agenda by
21 the close of the session tomorrow.
